Joint EDA/Council meeting, EDA Meeting and Special Meeting to follow

Present: Steve Rahn, Tom Dybing and Ceil Allen

Absent: Joe O'Connor and Keith Eide

Visitors: Dillon Dombrovski from Yaggy Colby, Jade Sexton and Lisa Brainard

SPECIAL MEETING:

Rahn called the special meeting to order.

Dybing made a motion to approve the agenda, second by Allen, motion carried.

Sewer Line Repair: Three bids were received for the emergency sewer repair, the following provided bids: Griffin Construction at \$188,565.00, Elcor at \$132,265.00 and Blitz at 86,201.00. Allen made a motion to accept the emergency repair bid from Blitz Construction as the low bid at \$86,201, second Dybing, motion carried.

Storm Sewer Repair: The storm sewer repair was bid out with two companies returning bids for lining of the storm sewer: Municipal Pipe Tool Company at \$41,607.81 and Visu-Sewer at \$43,194.00. Dombrovski noted that there may be an option of rerouting the storm sewer without as much impact if they ran the drainage along the front of the Riverside on the Root business. Mike Charlebois noted that he would be OK with that option. Rahn made a motion to have the engineer take a look at some options prior to approving the lining bids due to the high cost, second Allen, motion carried.

Adjourn Special Meeting: Dybing made a motion to adjourn, second Allen, motion carried.

Respectfully Submitted,

Bobbie Vickerman

City Administrator/Clerk
